

## God's Will for You is Perfect Happiness

Be not afraid today to circumvent the voices of the world.  
Walk lightly past their meaningless persuasion. Hear them not.

Today, God would speak to you. Be quiet and listen instead to Her.

God comes with miracles a thousand times as happy  
and as wonderful as those you ever dreamed  
or wished for in your dreams.

They come from God to Her dear Daughter, whose other name is you.

Prepare yourself for miracles today.

The bringer of all miracles has need that you receive them first,  
and thus become the joyous giver of what you received.

God's Will for you is perfect happiness.

Your special function is as essential to Her plan as to your happiness.

Your joy must be complete to let Her plan be understood  
by others who will see their function in your shining face,  
and hear God calling to them in your happy laugh.

You are indeed essential to God's plan.

Without your joy, Her joy is incomplete.

Without your smile, the world cannot be saved.

Your joy on earth calls to all minds to let their sorrows go,  
and take their place beside you in God's plan.

God's messengers are joyous, and their joy heals sorrow and despair.

They are the proof that God wills perfect happiness for all  
who will accept their Creator's gifts as theirs.

Sadness is the sign that you would play another part,  
instead of what has been assigned to you by God.

Today we will attempt to understand joy is our function here.

God asks you to be happy, so the world can see how much She loves Her Daughter.

You are God's messenger today. You bring Her happiness to all you look upon;  
Her peace to everyone who looks on you and sees Her message in your happy face.

You have been slave to nothing. Be you free today to join the happy Will of God.

Say: I share God's Will for happiness for me, and I accept it as my function now.

Then seek this function deep within your mind, for it is there, awaiting but your choice.

And welcome all the happiness it brings as truth replaces fear,  
and joy becomes what you expect to take the place of pain.

Be happy, for your only function here is happiness.
