

The
Ladder of
Reality
Level Confusion
Explained

Heaven

is an experience, not a place.

The many becomes the One -
Christ-Mindedness.

#5 - Knowledge
(Miracles no longer needed.)

**This is the level of living in the world,
but not being "of it."**

It is when we suddenly SEE that every
one and every thing is connected in light.
It "sneaks up" on us - it can't be "forced."
This is the "Doorway" - The Portal.
It is BEING.

#4 - Certainty
(Miracles become dependable.)

This is the level of KNOWING we are safe:

It is finally understanding why people are angry -
and that they WOULDN'T be if they knew they were safe.
It is where we become truly compassionate and gentle.
It is the Happy Dream - the re-remembering that we are Loved.
And it is where we are able to give that knowledge away...
by LIVING it - in the heart.

#3 Belief
(Miracles are expected.)

This is the level of glimpsing the Real World: Finding hope.

It is finding that the invisible spirit affects the visible world;
it is the Higher Shopping Service (the Higher Career Counselor,
the Higher Financial Consultant & the Higher Marriage Counseling Service).
Here is where we LEARN that we are safe - it is the end of sacrifice.
It is the world of the "Magical Jesus" - the beginning of the Happy Dream.

#2 Faith and Hope
(We begin to see miracles.)

This is the level of the World: We're on our own.

It is struggle, pain and failure;
it is self-sufficiency, independence, and unwillingness to trust.
Only what can be "known through the senses" can be "real."

#1 Hopelessness and Lack
(We wish for miracles but tend to fail to get them.)
